Hi, Chum!

Pick up your eyeballs – they're telling you true. By the way, while we're on the subject, you look kinda odd to me, too. But let's be friends; follow us through these pages and we'll show you the way the ol' cookie crumbles around McCallum. After that I'll bet you see us around lots of places. When you do, wave and call, "Hi, Creature," and we'll wave right back.

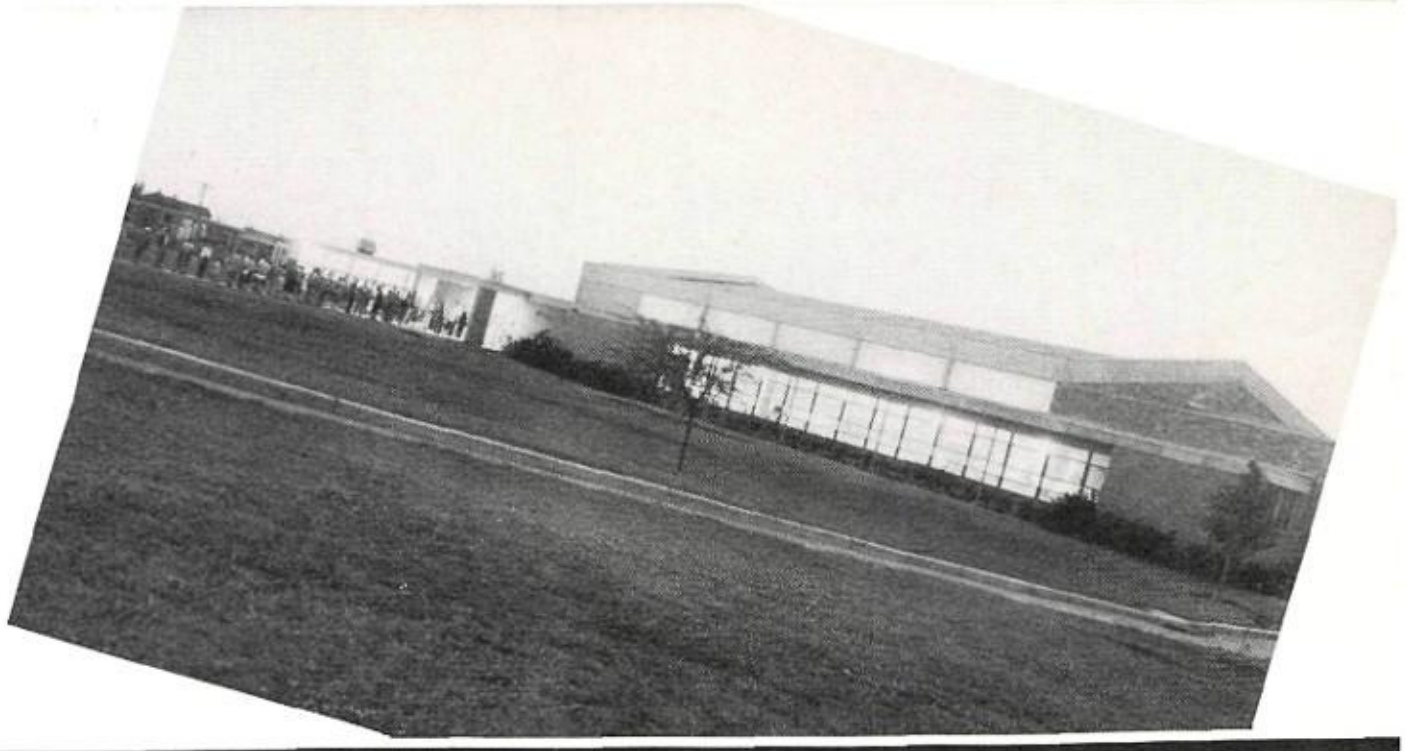
# Time Brings More Students, Expansions, Beauty to MHS

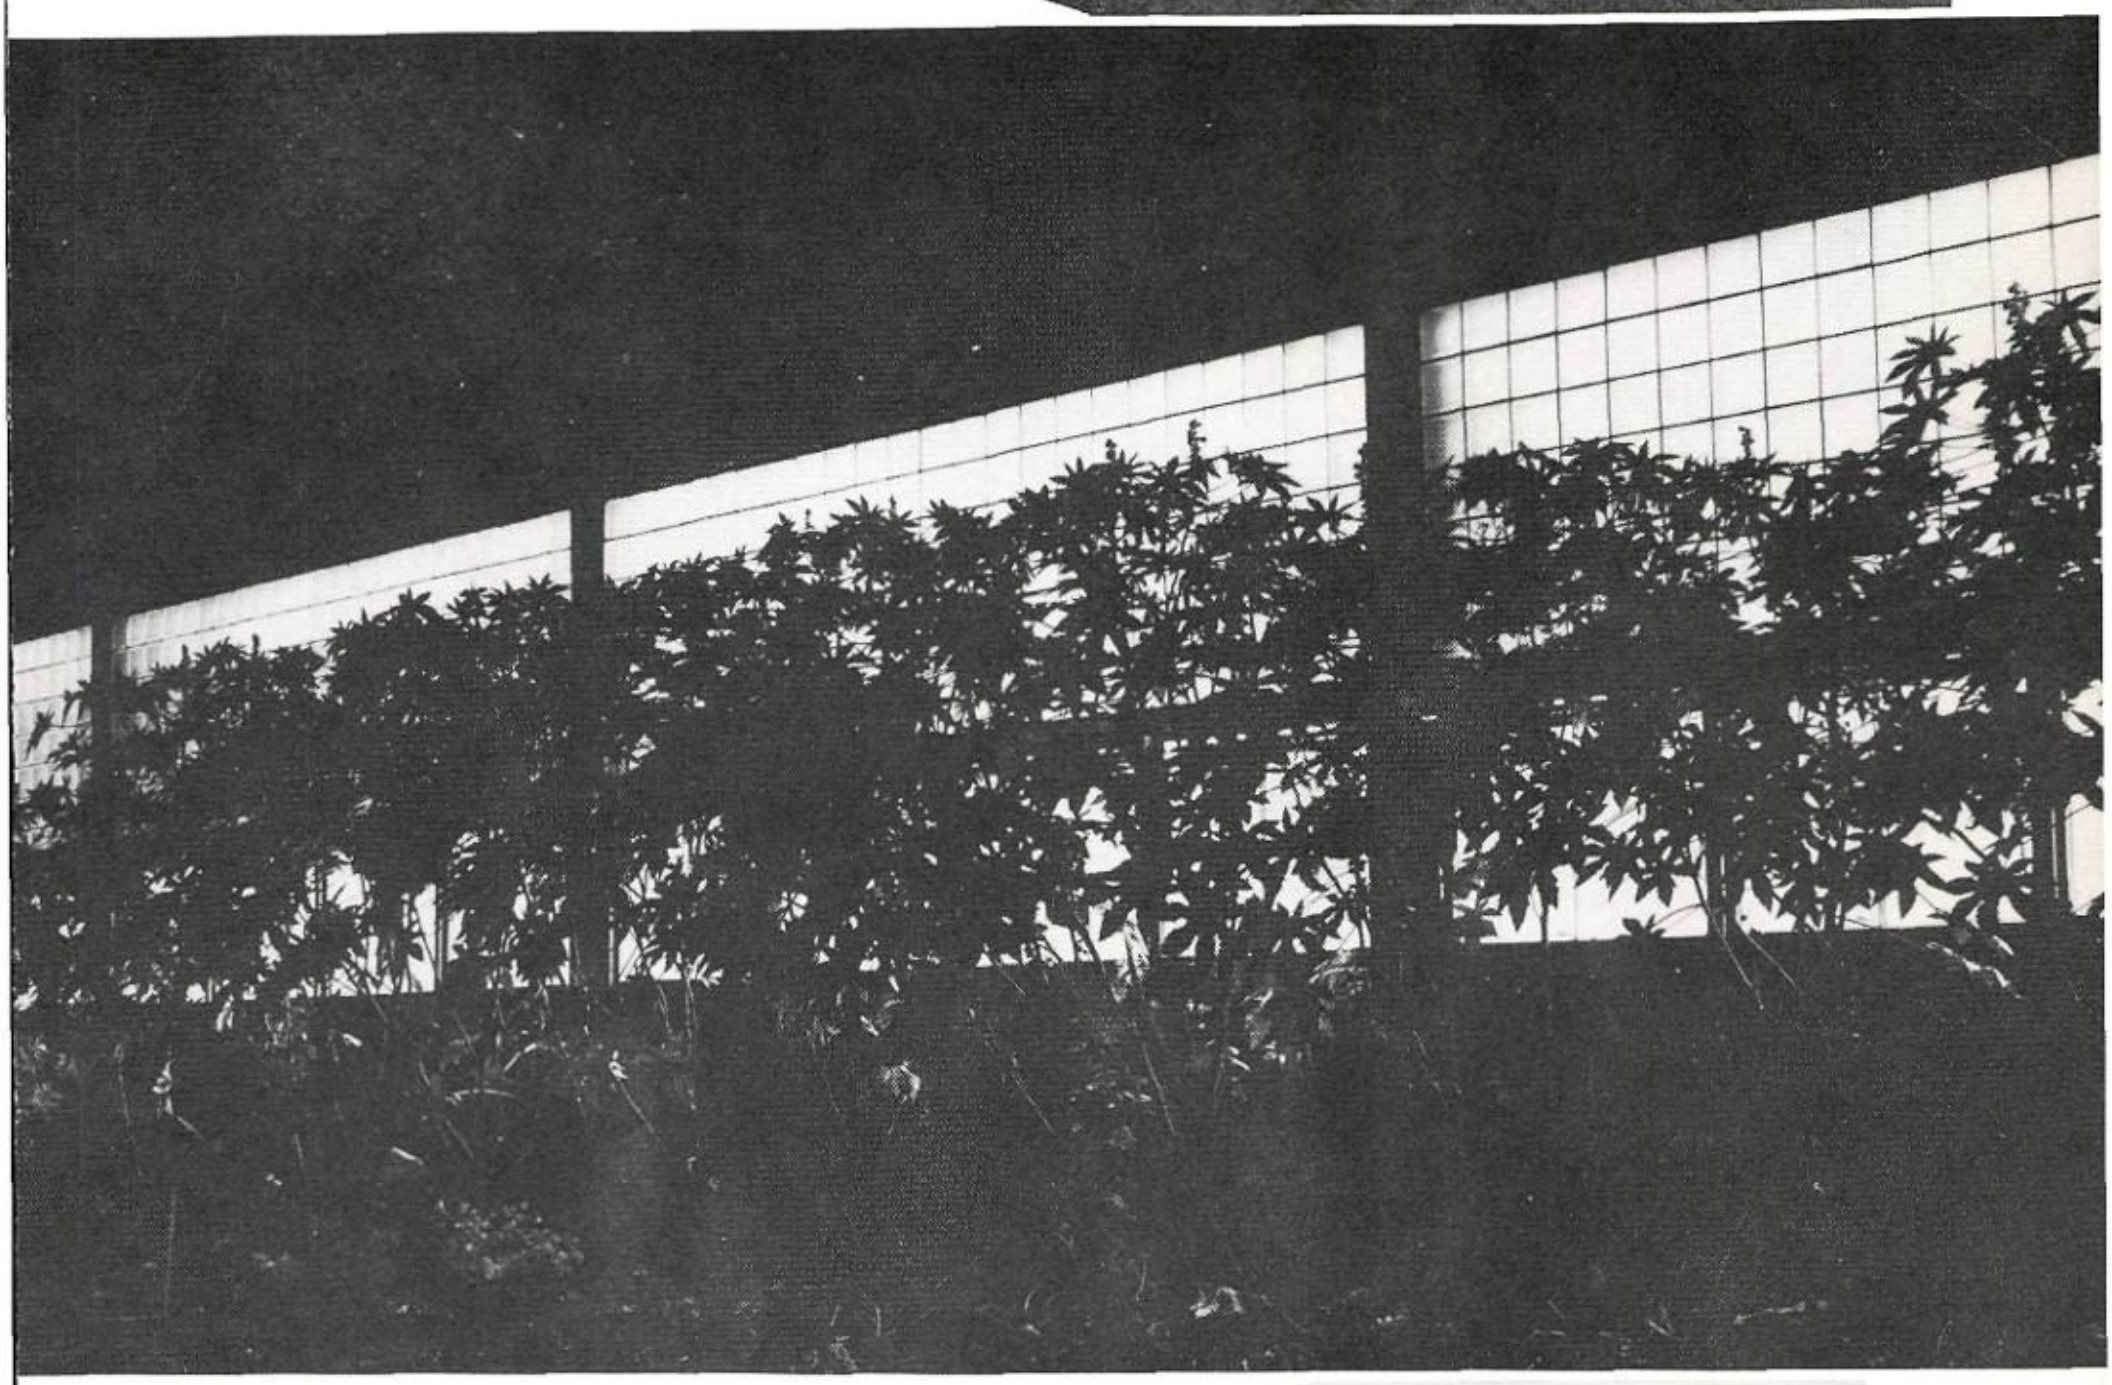
In October, 1956, construction began on the McCallum campus. The construction on the south end of the campus was eight new classrooms which will house 400 students. The new rooms were completed in the spring of 1957.

One of the less frequently seen parts of the school, which helps make the building more comfortable, is the furnace.

Other than serving the students, the school serves the community by being a polling place. Just at dusk, November 6, McCallum lights beckoned the late-comers.



The already-beautiful McCallum becomes more beautiful after the sun has set.



Here can be seen the results of the landscaping program which was begun McCallum's first year. This program was sponsored by the P-TA in cooperation with the staff and student body.

## Back-to-School Brings Books, Bellaire, Brigade

McCallumites beginning school again after a lazy summer are greeted with not only many books and lessons, but also a large number and variety of school activities. Some of the first of the year are Blue Brigade practice, pep rallies, and a trip to Bellaire for the first football game of our fourth year.

McCallum students are kept busy by the many different activities offered. Ranging from Student Council to football, something is offered for almost everyone. # Parents Become Pupils; Students Romp, Serve

Shortly after the trip for the game in Palestine, the Brigade was back in action by selling forget-me-nots as a community service project. Back-to-School Night preceded the game by a day and was attended by many foot-weary parents. Also, at an assembly for the students, a new scholarship for handwriting was announced.

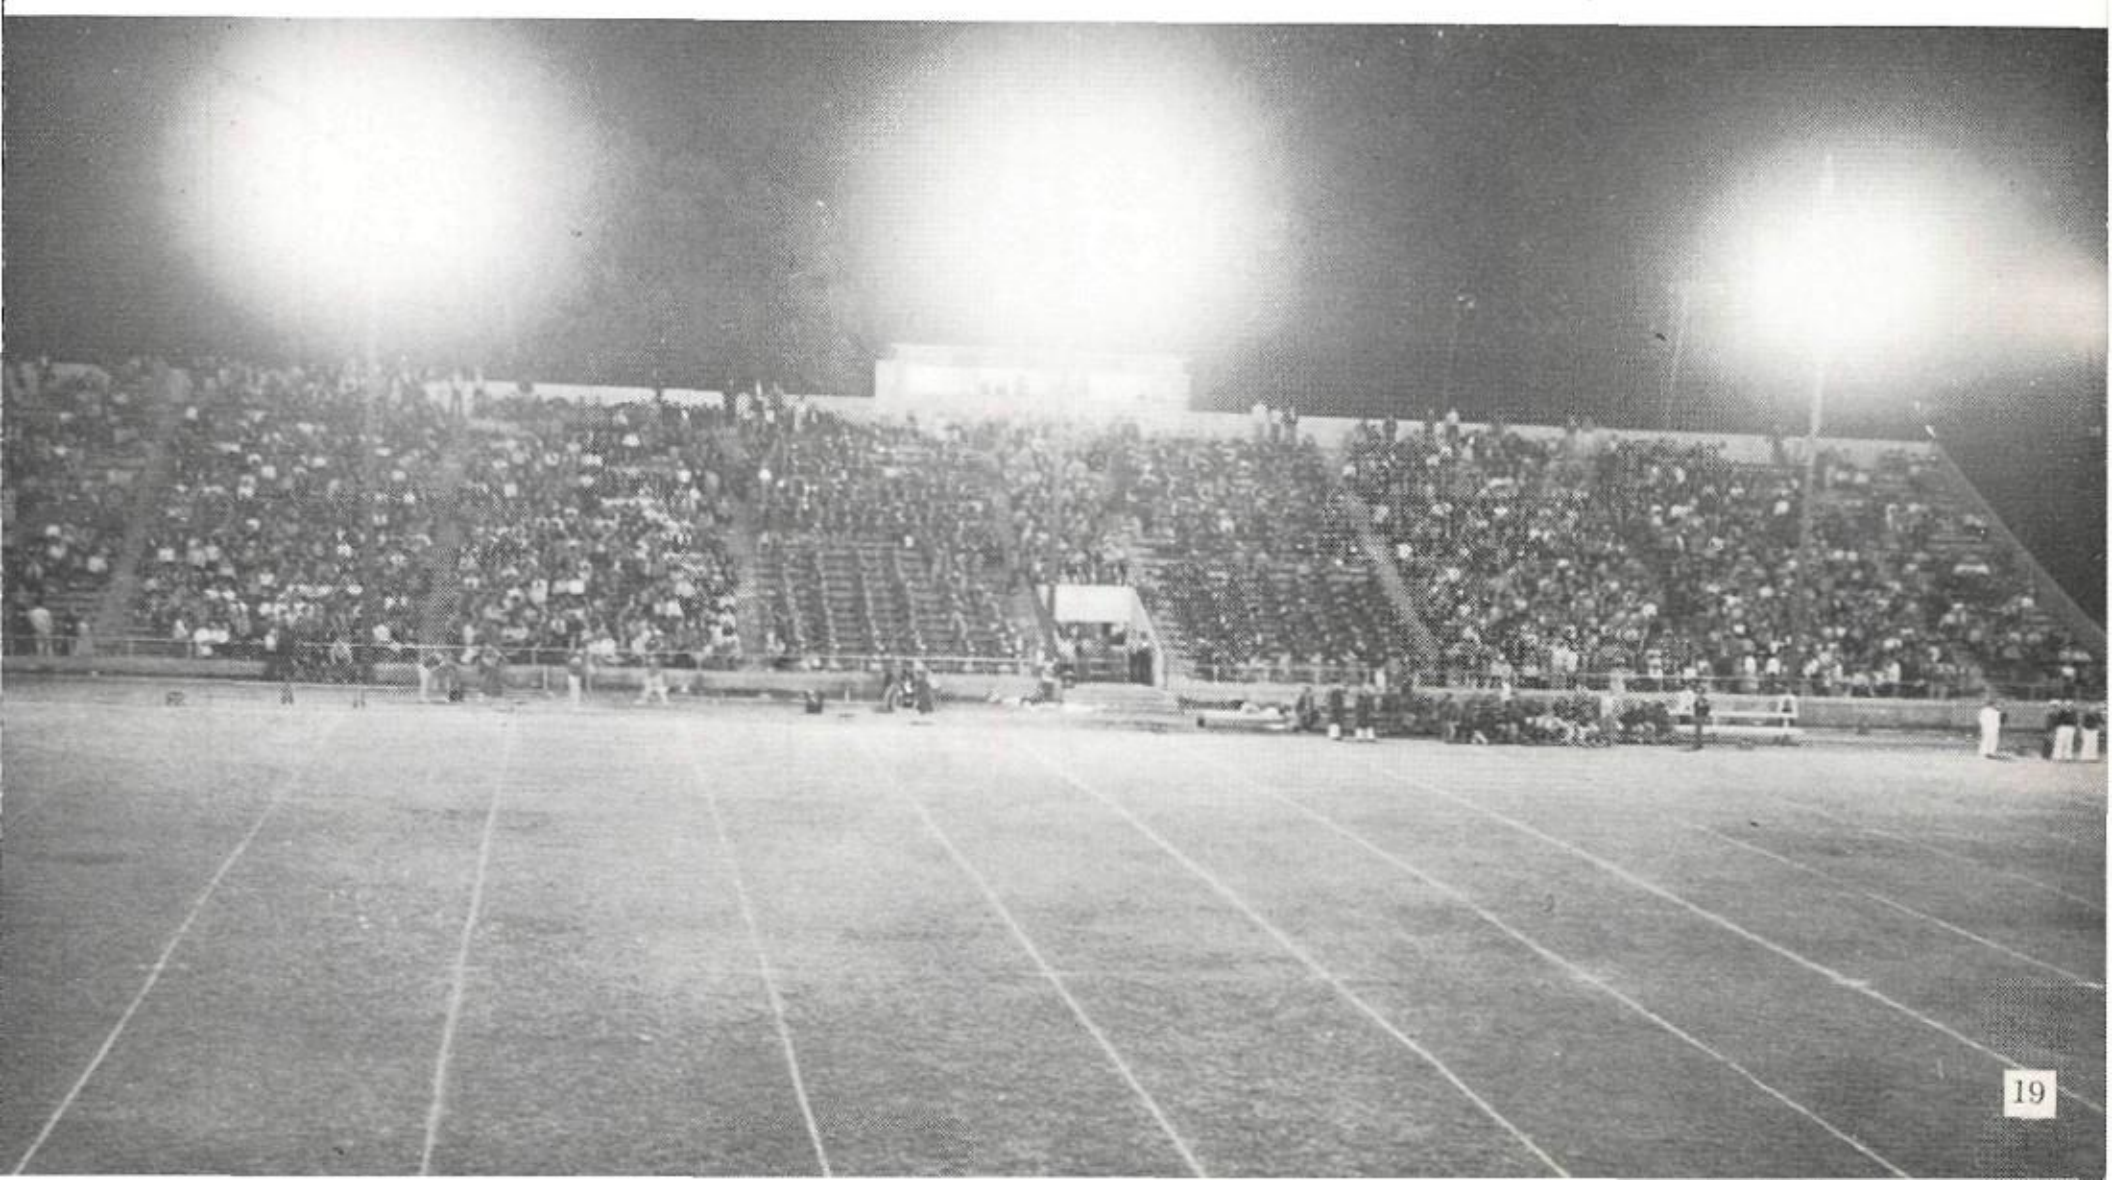
# Rallies, Slogans, Streamers Vitalize 'Beat Travis' Week

One of the most looked-forward-to times of our entire school year is the week which precedes the Travis game. This year the week was filled with funny costumes, slogans, streamers, and spur-of-the-moment pep rallies which sprang up between the organized pep rallies. School spirit was at its height. The final day was started when the cheerleaders presented the victory bell at the tremendous Friday-morning rally and climaxed when the Knights brought the bell home to McCallum for another year late that night.

There was a near-capacity crowd gathered at House Park for the Rebel-Knight tilt. McCallum students, as visitors, were seated at the south end of the stadium.



Escorted onto the stage by smiling FHA members during a pre-Christmas Style Show, were *Victor Mokry, Delbert Moberg, Jack Madden, Mike Gordon,* and *Wayne Fickel,* nominees for FHA Beau. *Jack Madden,* announced as the winner, was crowned by *Marisue Schwartz.*

# Musicomedy, 'Of Thee I Sing' Punches Politics in Fourth P C

Weeks filled with the hard work of rehearsing and publicizing precede McCallum's Press Capades. Yet on opening night, the results prove to be well-worth the effort. The presentation, this year a musical comedy about politics called "Of Thee I Sing," is always an outstanding production and has received much recognition in the four years it has been in existence.

The bathing beauties add charm and glittering color to the presentation. They played a large part in the musical side of "Of Thee I Sing."

# P-TA- Sponsored Fling Brings Fun and Luxury

One can expect to find almost anything at the McCallum Fling. Though entertainment for the entire community, the Fling's main object is to help provide funds for comfort and beauty which are outside the school's budget. This year the profits were used to buy fans for the classrooms.

# Bonfire, Dance, Football Sweetheart, Sock Hop Mark Homecoming Celebration

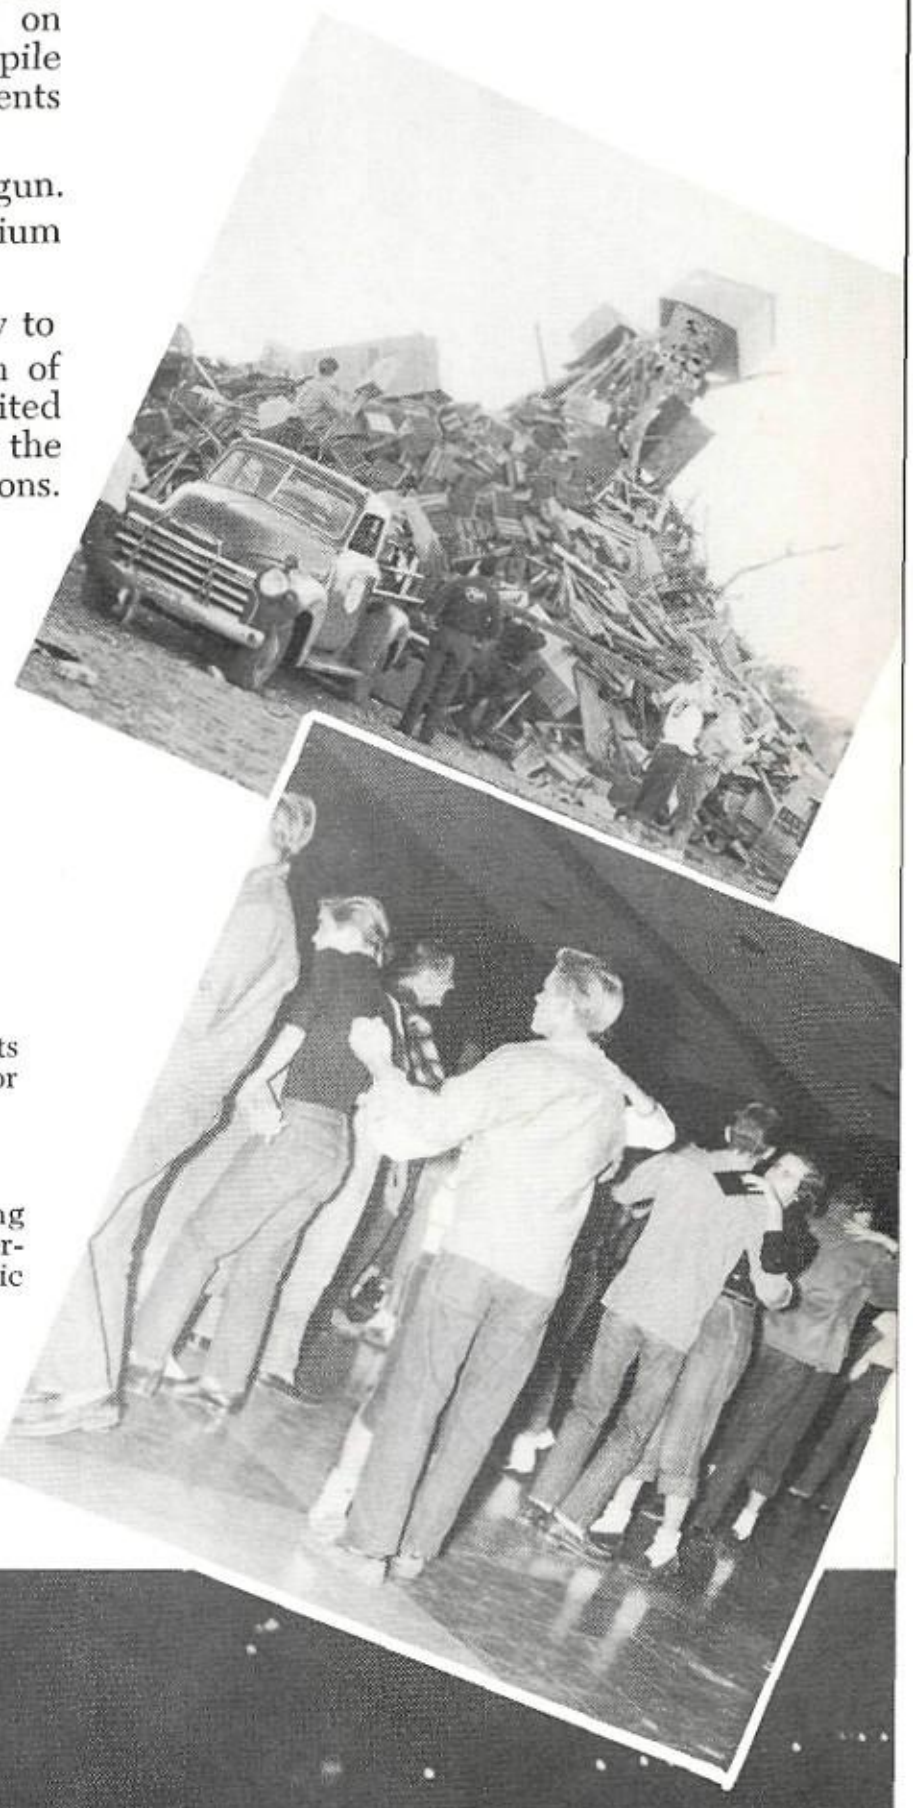
With the Travis game changed to the first district contest, the traditional bonfire was abandoned in favor of an Austin bonfire. As students attended advisory Thursday, November 22, exes began to gather on the vacant lot adjacent to the football practice field to build the woodpile for McCallum's fourth bonfire. Shortly after 3 o'clock swarms of students added their efforts.

Before the coaches applied the torch at 7 o'clock, the yelling had begun. Fire and spirit flared together until the fans moved on to the cafetorium for a sock hop.

Blue Brigaders and other fans appeared at House Park early Friday to cheer the arriving Knights. There was a pause for the presentation of Betty Watson, football sweetheart, then spectators resumed their spirited yelling. Although dampened by the 21-7 defeat, spirit revived for the homecoming dance attended by about 500 exes, Knights, and Maroons.

Outlined against the roaring flames of the fire, the cheerleaders led the enthusiastic crowd in their yells.

The students' spirit rose as they piled high the bonfire on Thursday afternoon.



After the bonfire, the students assembled in the cafetorium for the sock hop.

Cheerleaders *Bettye Sue McGee*, *Lee Thomas*, and *Janie Yeaton* lead the Blue Brigade in a before-the-game pep rally.

# "Stairway to Stars" Highlights BB Ball

An annual production and a favorite among McCallum students, the Blue Brigade formal is always well received. This year it was called "Stairway to the Stars" and was done in white, silver and gold. The weeks of preparation not only saw thousands of stars and seemingly tons of glitter, but also cotton and angel-hair clouds, white Christmas trees, and a call for hurricane lamps used to light the front sidewalk. The Blue Brigade officers headed committees which decorated the cafeteria, while *Mrs. Brougher* patiently supervised. Every member put in hard work on "Stairway to the Stars" and the result was well worth the effort.

# TI Assembly Contributes to Shoe Fund

McCallum's participation in the annual, city-wide, charity project, called the Shoe Fund Drive, centered around a variety program presented by the members of Talents, Incorporated to a large audience of students. The entire profits from the assembly were donated to the Shoe Fund Drive.

# Community Play, Assembly, Help Fill Christmas Week

The week preceding the Christmas holidays was filled with Christmas festivities. A Christmas play, decorated rooms, mistletoe, charity drives, and cheerful good wishes to friends were climaxed by an all-school assembly the last day in which everyone sang Christmas carols.

# Talents, Inc. Assembly Aids MOD With Songs, Drums, Dances, Acts

An assembly put on for the benefit of the "March of Dimes Drive" netted a total of $79.50. The talent for the assembly was furnished by Talents, Incorporated. The following pictures are shots taken from this variety show.

# Banquet at Commodore Reviews BB Activities Thru Looking Glass

The annual Blue Brigade Banquet was held this year in the State Room of the Commodore Perry Hotel. It is always a time for tears as well as laughter; as Brigaders re-enacted their own hilarious experiences, the officers said words of encouragement for next year, and the service award was given to the most deserving junior, both emotions were experienced by almost everyone.

# *'Our torch keep bright...'*

"At last," we think as we walk out the front door for the final time. But many thoughts of past pleasures run through our minds. A sadness clouds our faces as we remember that no longer will we rush through the confusion of the halls smiling at the familiar faces around us. Gone now are the times when we grinned at the understanding or misunderstanding glance of a teacher as a classmate offers a lame excuse for missing an important test. No more the confused excitement before a football game that at the time was a vital event not to be missed. The rush of decorating the cafeteria before a dance, the dash to class before the tardy bell rang, and the strategic whispers in study hall to relate to a friend the fun and excitement of the weekend are to be memories now. Times of stress before an exam when we were dead sure that we would fail,—or a call to the office that set the heart aflutter until we discovered that it was nothing of importance—are to be looked back on as just a change in the daily routine. No more the crackle and blaze of the bonfire that many classmates cut classes to get wood for; gone are all the troubles and pleasures of our high school days that we will forever look back on with a smile of remembered pleasure.

# Knights Trounce Bellaire 21-12 With 3 TD First Half

The Knights, behind the power running of senior halfback, *Jack Madden*, and some stout line play, grabbed a 21-12 victory over Bellaire of Houston in both teams' opener at Houston.

McCallum, striking viciously during the first few minutes of play, settled back to hold the losing Cardinals fairly well at bay. It took McCallum just six plays from the opening kickoff to pile through to their first touchdown. Climaxing the sudden spurt was fullback *Sam Bowman* diving over from the one.

Moments later, McCallum end, *Bill Young*, fell on a Bellaire fumble at the Cardinals 32 yard line. On the first play from scrimmage, quarterback *Wayne Fickel* called his own number and circled end for the touchdown.

Madden, the game's leading rusher, fittingly put the finishing touches on the Knights' scoring, ripping 44 yards for a second quarter touchdown. Jack also converted after each of McCallum's three touchdowns.

*Wayne Fickel*, 82, is shown heading around right end on a keeper play in the first game of the season which McCallum won 21-12 over Bellaire of Houston.

# McCallum Shocks Favored Victoria As Madden Romps to Three Scores

The McCallum Knights, led by the dazzling performance of senior halfback *Jack Madden*, shocked favored Victoria 25-13 in one of the state's major upsets.

Madden in a word was brilliant. He scored three touchdowns—on runs of 49, 38, and 30 yards, his second tally being a classic bit of broken-field running—and blocked well.

To help in the upset were his teammates, *Wayne Fickel* and *Sam Bowman*. Fickel contributed to the upset, working the McCallum "T" almost to perfection, looked several times like a magician, hiding the ball as the Knights' plays developed. Bowman, who played fullback, scored McCallum's second touchdown from five yards out, capping a 48 yard drive.

# Harlandale Blanks Knights With 4th Period Score, 7-0

A tough Harlandale line made the difference as the Knights were dropped from the undefeated ranks, 7-0. The tally climaxed a 64 yard Indian drive with little more than five minutes left in the fourth quarter.

The Knights, having a total offense of just 101 yards, threatened only twice, once hitting the Indian 20 before losing yardage and having to punt. The other threat, a 42 yard run by halfback *Don Burch* to the Indian 15, was called back on a penalty. Neither team completed a pass during the defensive-minded game which was dominated by the two lines.

Halfback *Jack Madden*, McCallum's yardage and scoring leader, topped his team in distance with 44 yards on nine carries. Fullback *Sam Bowman* had 39 in 10, while Burch had 33 yards in nine.

# Knights Fall to Wildcats On 41 Yard Jaunt, 7-0

Halfback Harlan Midkiff of Palestine broke through the McCallum line and raced 41 yards for a touchdown in the last five minutes of play, giving the Knights their second defeat this season with a score of 7-0.

McCallum was soundly outplayed but managed to hold the scoring end of the game blank through three quarters of play.

More than 4,000 wildly cheering fans looked on as the Palestine team, making its fourth appearance of the season, marched steadily to the end zone on four occasions only to lose possession of the ball just as it was about to collect the payoff.

Twice the Wildcats lost out on touchbacks. Another time, an apparent touchdown was nullified on a clipping penalty.

*Wiley Wyman* (72) and *Wayne Fickel* (82) grab this Wildcat and haul him down for a five yard gain in McCallum's second loss of the season by a score of 7-0.

# Burch Drives for 109 Yard
# Despite Coyote 21-7 Victor

A comparatively small House Park crowd sa the big Alice Coyote line tear McCallum's d fense to shreds in the first half. Alice picked u two quick touchdowns for a 14-0 intermissio lead that was never threatened.

*Don Burch* was McCallum's standout on o fense. He piled through the big Coyote forwar line for 109 yards in 18 carries, three times breal ing away for 10 or more yards.

A pair of substitutes, *Wayne Drosche* an sophomore *Jerry Squyres,* also looked good infrequent trips with the ball. Still another se ond-stringer, quarterback *Robert Smith,* did som smart quarterbacking during the 75-yard la quarter drive the Knights staged for their on touchdown making the final score 21-7. A though McCallum battled back furiously in th last half, the Knights saw several good scorin chances slip away due to bad breaks.

# agles Slip by Knights 14-13 In Damp Alamo Stadium

Coach "Dutch" Kline's McCallum squad missed chance to tie Brackenridge in a close game of 4-13, played on a damp turf. After halfback *ick Madden* had sliced 12 yards off guard for ıe equalizing touchdown, *Bill Young*, who tried ıe conversion, missed, making the final tally 4-13.

The game was all tied up 7-7 at the half, how-ver Brackenridge went ahead in the third to lead e Knights 14-7. McCallum's last bid was set o in the fourth quarter when *Charles Steger* covered a fumble at the Brackenridge 40-yard ıe from where the Knights marched for their st touchdown.

Possession of the Victory Bell was decided first downs as the Travis game wound up in deadlock. The Knights held a 10-9 margin this vital department when the final gun sounde

A 15-yard holding penalty put Travis back their own one-yard line midway in the four period. The Rebel punt was brought back to t 31-yard line. A 15-yard penalty late in the game gave Knights a free first down and was a deciding f tor as to who would get the Victory Bell.

# Wildcats Edge Knights 19-14 On Cold, Muddy Temple Field

*Bill Bryant*, a 158-pound halfback, literally ran McCallum's Knights into the mud, leading the Wildcats to a 19-14 victory over the battling Northsiders.

Had it not been for some superb pressure punting by halfback *Henry Dunn*, Temple might have made its final advantage greater. Dunn kept the Cats backed up consistently, averaging almost 40 yards on seven punts with the wet ball.

Fullback *Wayne Drosche* did some fine running for the Knights, netting 63 yards in 18 tries. The Knights scored first on a fumble by Temple quarterback, Don Mraz, in the first quarter. Quarterback *Robert Smith* piled over from the one and *Madden* converted. At the half the score stood at 14-13. In the fourth quarter Temple scored for the third time to win the game by a 19-14 score.

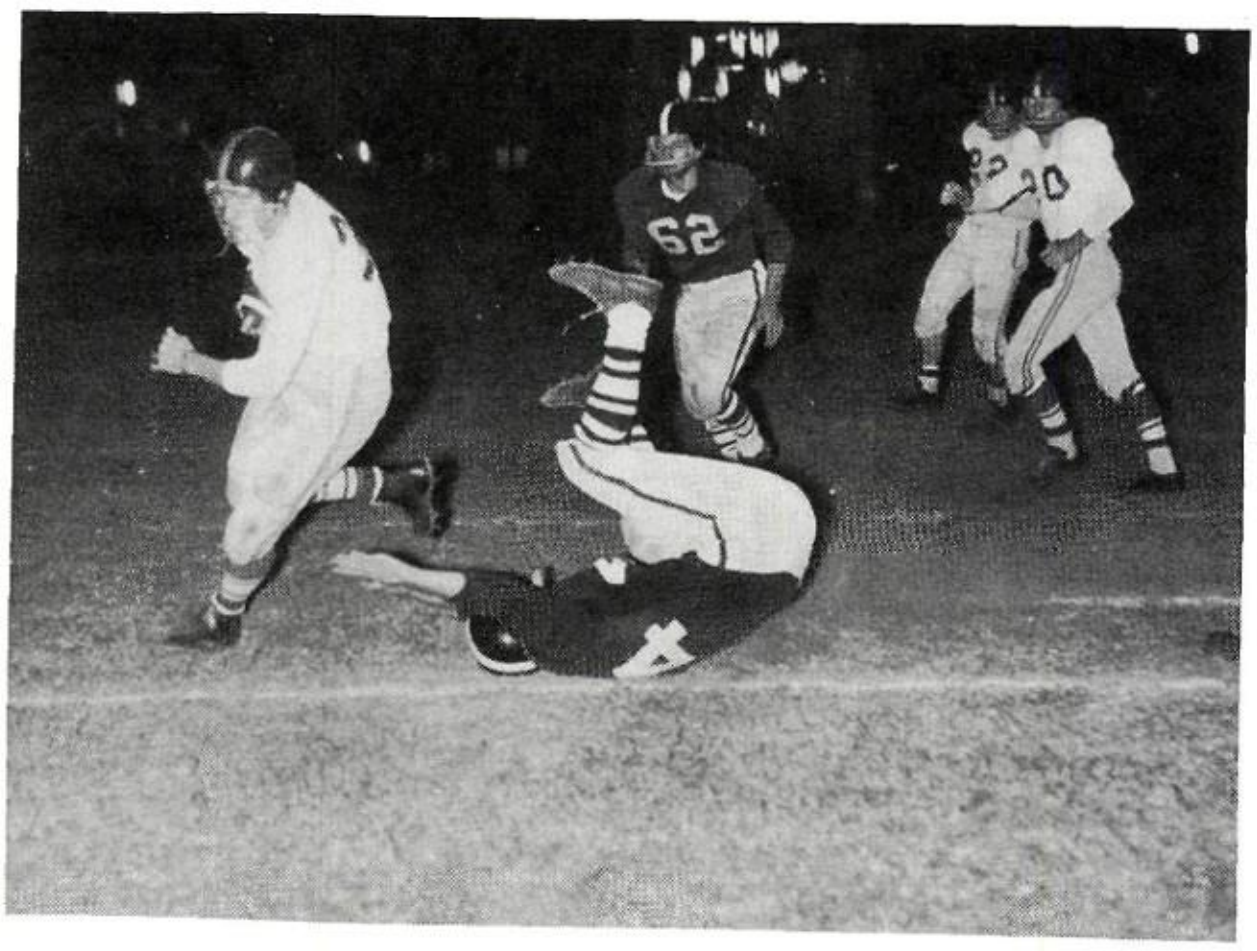
# Improved Knights Fall to Waco 28-14

The tremendously improved Knight eleven, and new offense, with great backing from the student body were not quite strong enough as the Waco Tigers showed overpowering strength in beating McCallum 28-14 at Municipal Stadium in Waco.

McCallum scored first, in the first quarter with *Don Burch* doing the honors. However, Waco's unbeatable eleven swept down on a counterattack to score making the game tied 7-7. In the second quarter Waco went into the lead to stay by scoring a touchdown making the tally 14-7. In the third quarter McCallum scored its last touchdown of the game with *Walter Drosche* going over to score from the one. Waco scored again in the last quarter to stop the Knights by a score of 28-14.

Austin high's Bobby Nunis gets sent rolling by McCallum fullback, *Wayne Drosche*, as he goes over from the four for McCallum's only score of the game.



# McCallum Bows 21-7 To Austin in Finale

McCallum bowed to an overpowering Austin High team by 21-7. Austin High set an early lead of 7-0 in the first quarter. McCallum bounced back while the second quarter was still young with *Wayne Drosche* scoring the TD tying the game at 7-7.

Neither team scored again until late in the third quarter when the Maroons went ahead to stay, 14-7.

In the final period Austin's last touchdown was set up with a McCallum fumble on its own 31 yard line with the Maroons recovering. Seven plays later Austin tacked on its last touchdown totaling the score up to 21-7.

*Lanny Nelson*—senior forward, rather short for the job called on to do, but he responded with determination to do his best.

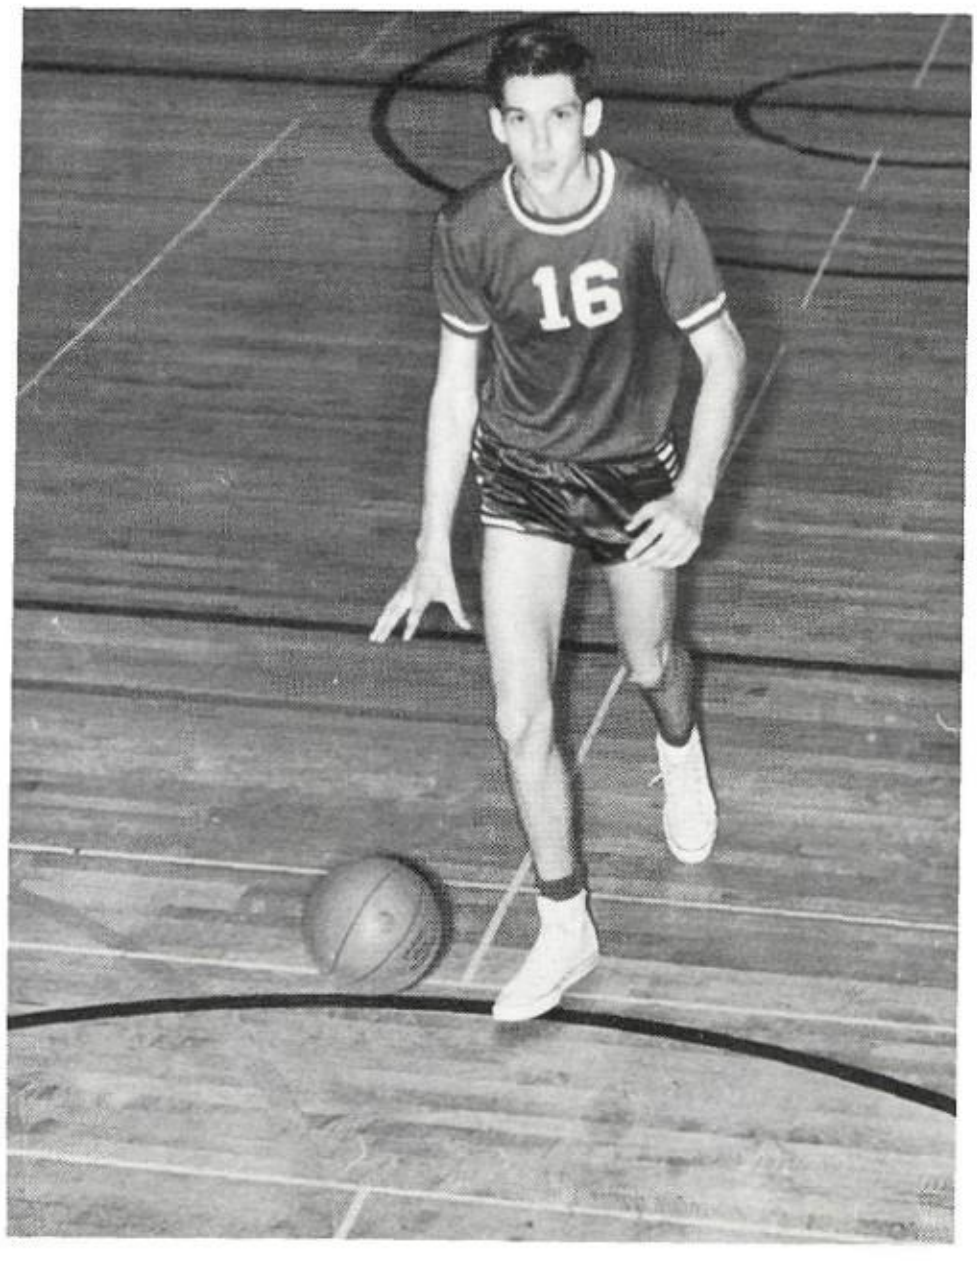
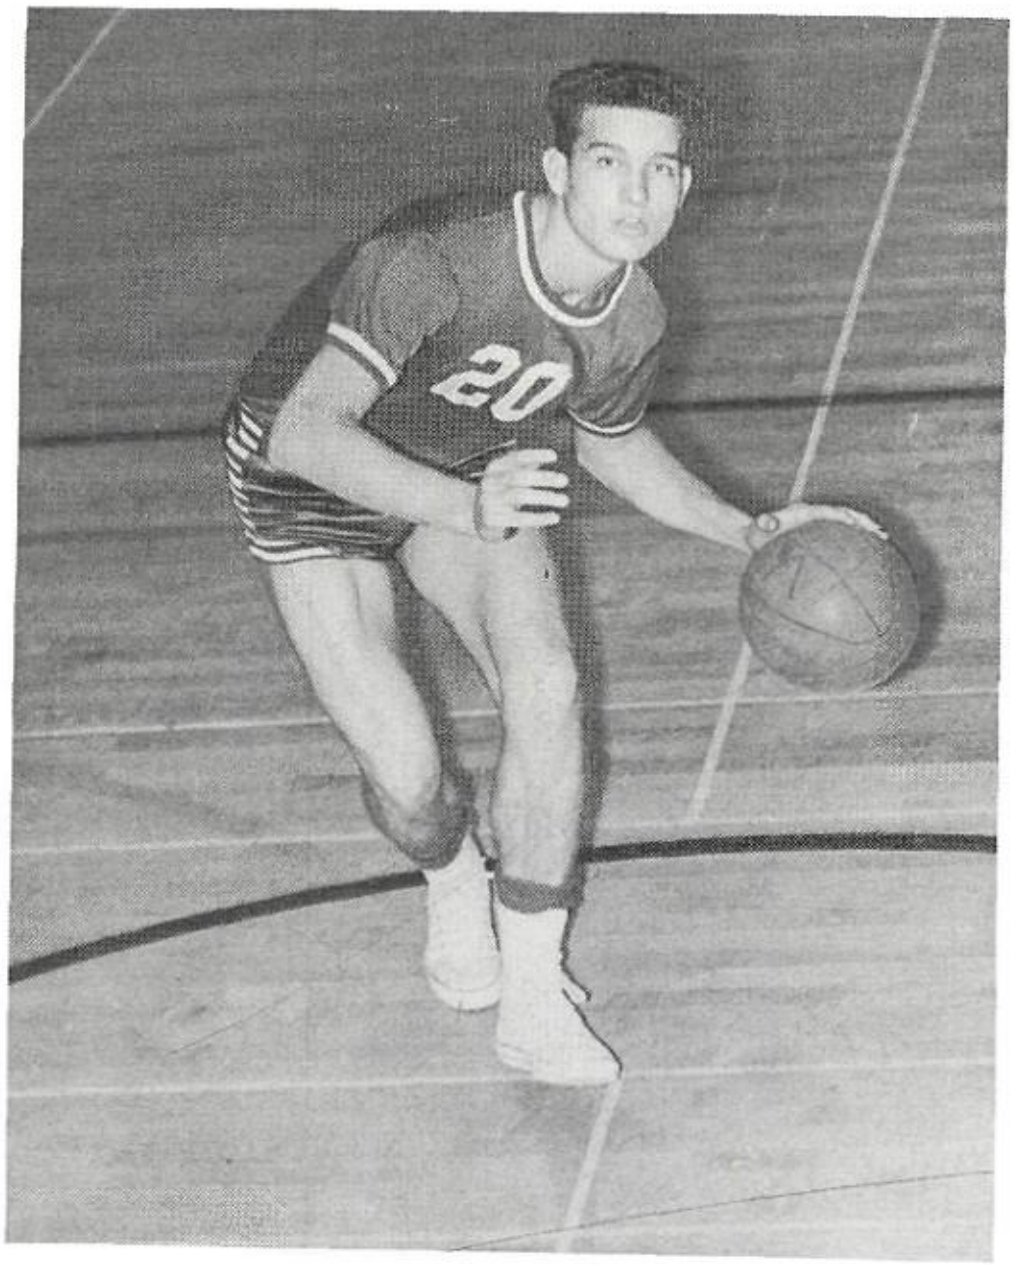
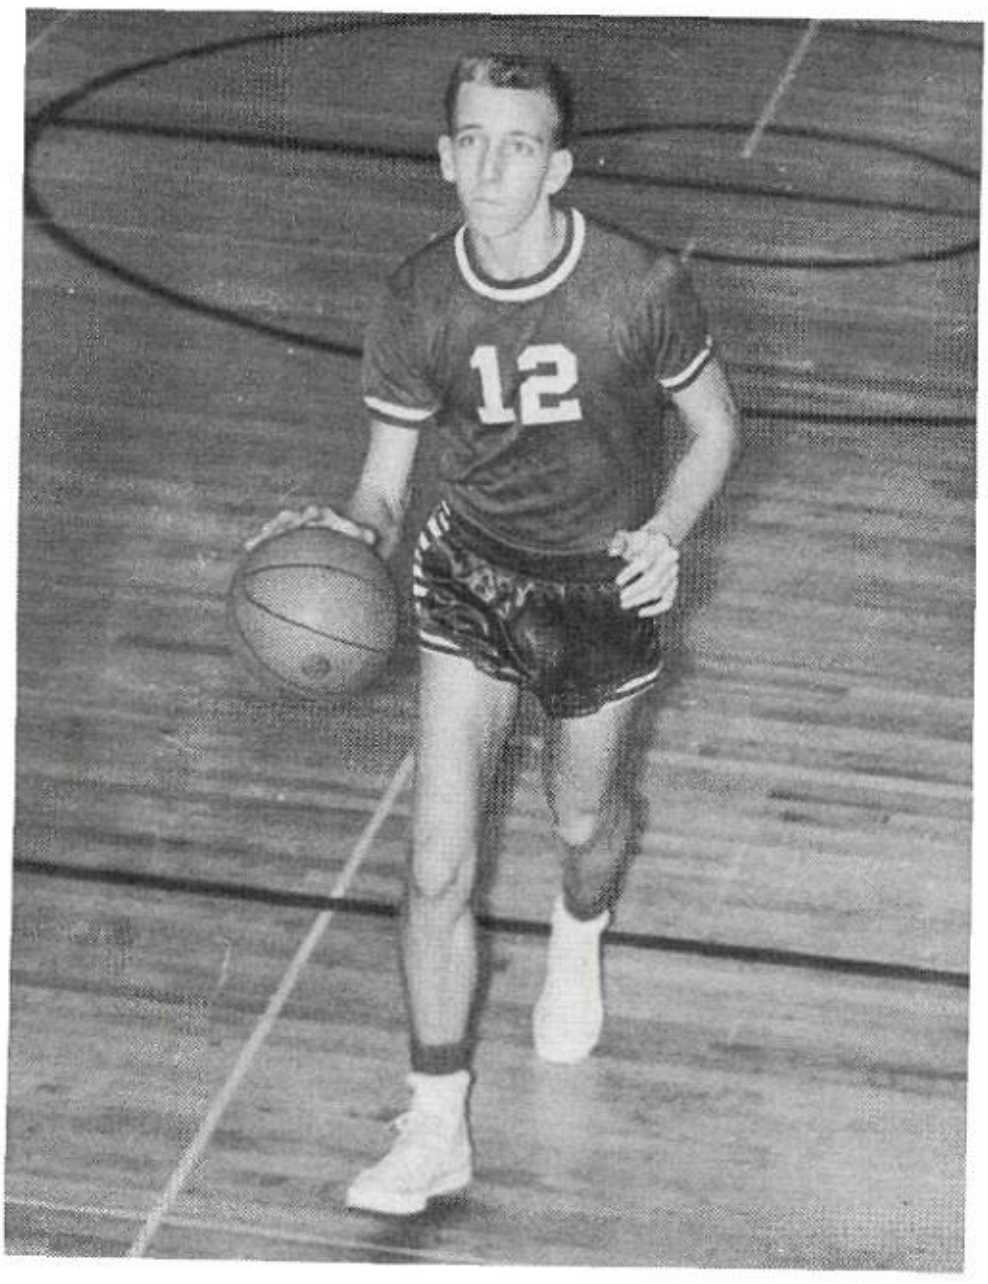
Springy, five foot eight *Delbert Moberg*, outjumps a tall Harlandale player while *Don Renner* waits for the rebound.



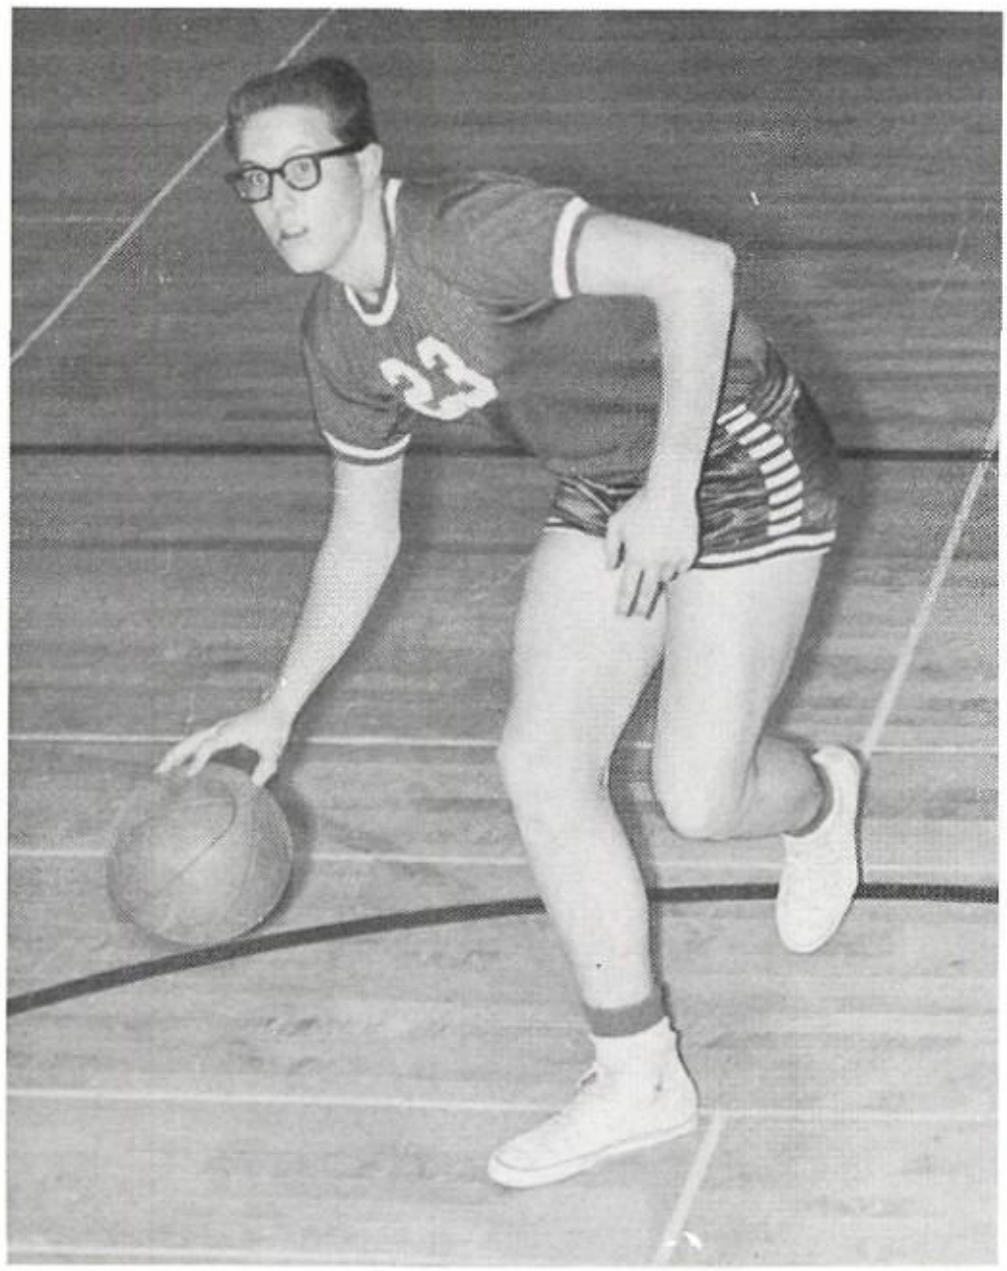
*James Carter*—The tallest of the three sophomores, improved beyond expectations. If he develops an eye for the basket he will be a good asset to the Knights next year.



*David Turner*—a junior forward, who was pulled up from the "B" team in the middle of the season. David is a fine hustler who works hard and should have a good year when a senior.



*Chuck Joyce*—One of the three sophomores up from the junior high. He was the leading scorer on the junior high team and is expected to add scoring punch to the varsity next season.



*Billy Wittner*—a sophomore forward up from the junior high. Billy is expected to be a fine rebounder before he departs from McCallum.

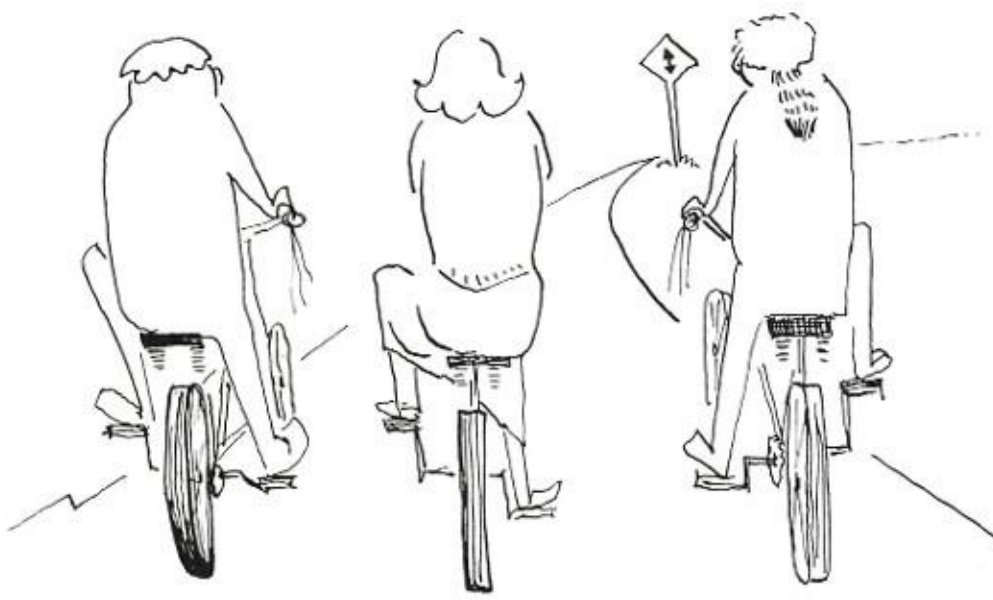
McCallum students celebrate Christmas by singing carols in an assembly before the Christmas holidays.



# Juniors

You know, it's great fun to be the
one in the middle;
You know all the ropes; it's no
longer a riddle
About what to do, where, when and
how,
And no graduation to worry us now.
So whether Deuce or love—any way you
crack it
This being a Junior is really a racquet.

# Seniors

Swing it, cat—you're really hep!
You've gotta be smooth to get the rep
Of the coolest class to e'er complete
Ol' McCallum's grind—you're all reet.

The day'll come—when folks'll say,
"This here class sure deserves a 'ray.
They were really smart when they begun it,
But I tell you, man, they've sure out done it."

They're cool, they're smart, they're really keen
Used all the gray cells in their old bean
As Ma's and Pa's they'll really rate
And in each job they're going great.

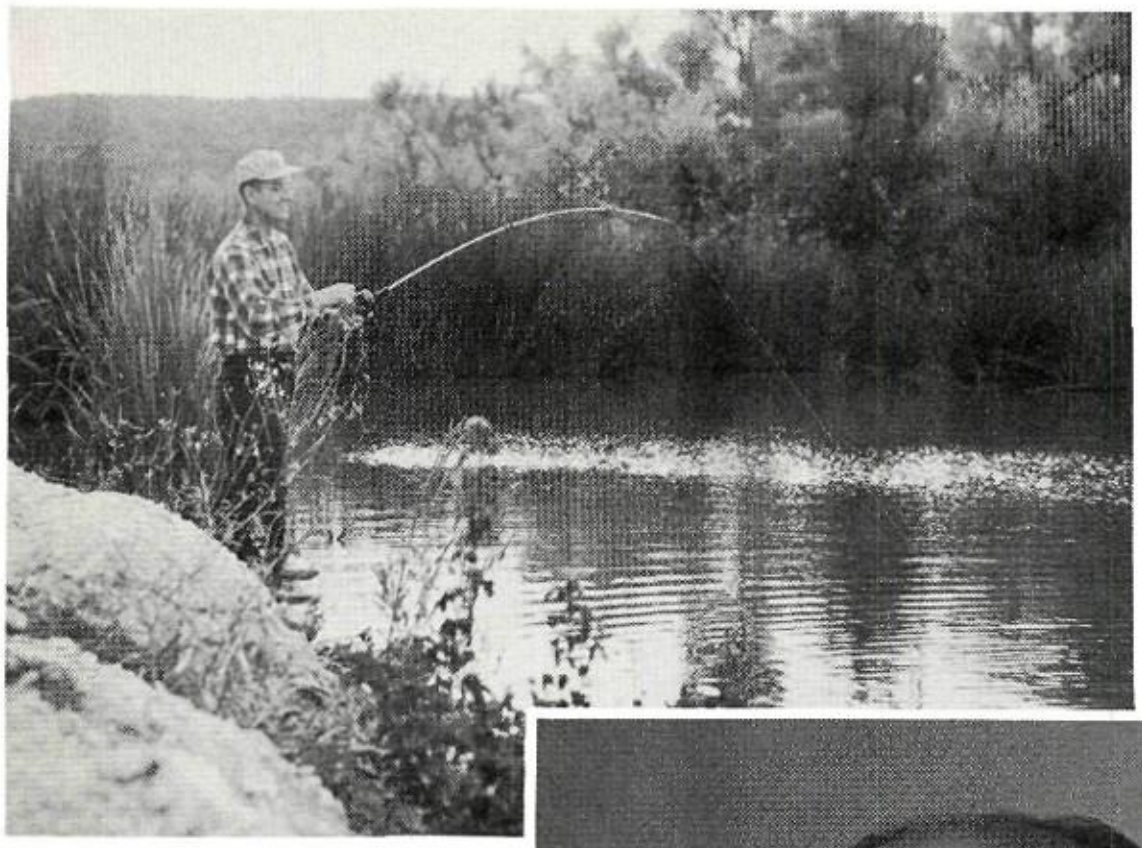
# FACULTY

Say lookie, Cookie, they really
are human –
Nice and relaxed – no fussin'
and fumin'
(Now hold your fire we are really
just teasing;
You know we really find you most
pleasing)

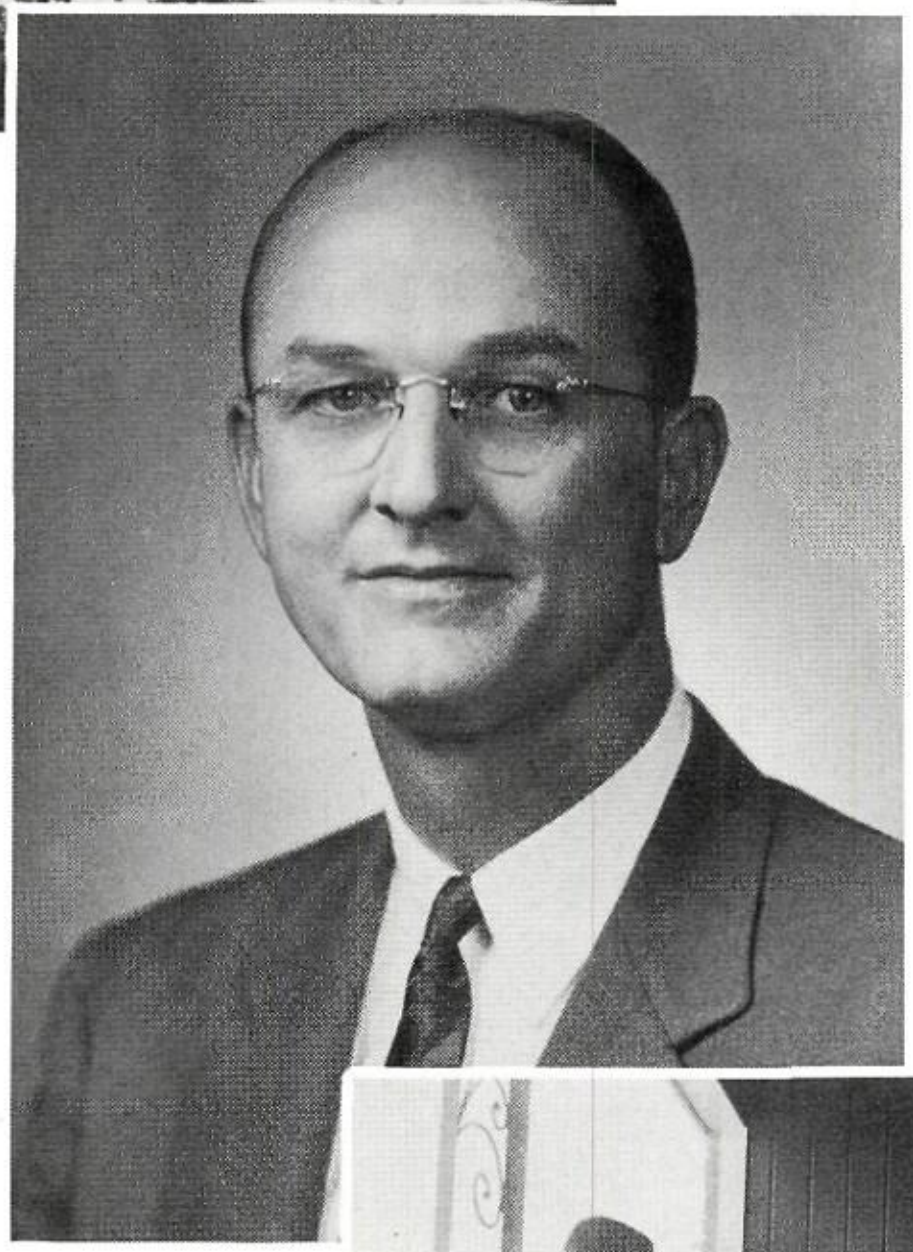
There are so many sides to a teacher;
Sometimes they're a pal – sometimes
a preacher.
Here at McCallum we think you are the
most,
So to you we offer this little toast –

"To you, Guys and Dolls,
praises we sing
And may this life true happiness bring."



Mr. Wittner relaxes from school business by heading for his favorite fishing spot.

# *Mr. N. H. Wittner*
## Principal



We find Mr. Wittner enjoying an afternoon at home with his wife and son.

# Girls' Dean, Vice-Principal Handle Counseling, Discipline

McCallum's dean of girls, *Miss Martha Agnor* has been with McCallum since the day it opened. Miss Agnor serves us well in the capacity of dean of girls, which includes the discipline of girls, the attendance of girls, and the counseling of some students. He may be found at practically all of McCallum's assemblies and school functions, since his duties include student life.
